

Strategic Objectives

The strategic objective of the Enterprise Zone Commission mandates that this entity works toward improving the following:

1. Community aesthetics

Enhance the general appearance of the Enterprise Zones.

2. Public safety & crime prevention

Create an environment safe for businesses and residents to work and play.

3. Education, job training & entrepreneurship

Expand and improve access to education and training opportunities for residents of the Enterprise Zone.

4. Funding

Assist businesses and residents with capital to rehabilitate the Zones.

5. Infrastructure, housing & neighborhood development

Improve public infrastructure to support business development and to create an active, vital community. Enhance housing opportunities in the Enterprise Zone.

6. Business development

Develop, recruit, retain and /or expand businesses that create livable wage jobs in the Enterprise Zone.

7. Plan Implementation

Work with community stakeholders to create and implement town plans.
